

#PeaceDays2021

equitas

In celebration of the International Day of Peace, share your thoughts and write down answers in the blank space below:

1. What does Peace mean to you?

2. What can decision makers do to make our community more peaceful?

3. What makes a community peaceful?

Consider sharing the children's answers with decision-makers or other adults such as parents, teachers, principals, afterschool program directors so that they can be inspired for change!
